• All classes are 1 hour in length unless otherwise noted.

• Members must call to cancel a silver reservation 2 hours before class time to avoid a late cancellation fee of \$3.00. Members are limited to two(2) reservations at a time. Bronze members will be charged \$3.00 for shaded classes. Seasonal classes may be removed mid-month. Classes averaging below minimum will come off seasonally with two weeks notice.

• Please talk with the instructor before class about your child participating in class 10 min. before class begins.

Ages 14 and above are permitted if participating and non-disruptive. Younger than 14 requires instructor approval. For the child's safety, there is no exception to the 14 or older rule for BodyPump. Infants and toddlers are welcome in self-contained seat or stroller, as long as they are not disruptive or crying. No infants or toddlers are allowed in Mind Body classes or WGF classes. Children who are walking may stay in the Children's Activity Center – see Valley youth programs for pricing and days/times (available at the Concierge Desk or CAC). Children ages 5 and older can participate in the After School Program and children 8 and older can use the Youth Activity Center with parent on site at VAC.
