For currently enrolled students:

- Priority registration will be given to those enrolled in the current session. To qualify for priority registration, complete a priority registration form located in the pool office and return it to the priority registration box at least one week prior to the last day of the current session. This will reserve your swimmer's spot in the upcoming session.
- Please update your contact information, including email, at the Concierge Desk.

For new students:

- New students wishing to register for their first session may do so in person at the Concierge Desk or by phone (during open registration day) at 360.352.3400 beginning at 7:00am.
- Call-ins will be returned in the order they are received by 12:00pm the next day.
- If your child is new to lessons or has not had lessons in 2 months, they must be evaluated by a swim instructor prior to being registered for swim lessons. See assessment times on opposite side of page.
- To enroll in class after the initial registration, contact the Concierge Desk at any time up to the first day of class to be added to the class as spots become available via the waitlist. Students won't be added after week 1.

For non-members:

- Members will receive priority. A non-member may be bumped from their spot if a member seeks enrollment in a full class. However, non-members will not be bumped within 48 hours of the 1st day of class. Non-members receive a maximum of 12 visits per calendar year, including group or private swim.

Non-member guest fees:

To be paid at the Concierge Desk prior to each lesson.

Under 18: \$5 per visit plus lesson fee 18+: \$10 per visit plus lesson fee Parent-Tot: \$10 per visit plus lesson fee
